## The Dimmer VIEW

By MAX GOODWIN

When a guy who works gets a story about how the other guys in the profession do the job, the normal reaction is a raised eyebrow or a faint sneer because normally, these little revelations are recorded with emphasis on how great I am and they underscore "great" and "I."

Once in a while, and all too seldom, we hear of a piece of work that makes us proud to be associated with our chosen profession whether it be ditch digging, aircraft engineering, doctoring, or just plain old newspapering.

The story in the latter category caught my eye last week in the newspaperman's "bible," EDITOR & PUBLISHER. It was a piece written by Sam Lusky, city editor for the ROCKY MOUNTAIN NEWS and tells in easy-to-understand language the pedestrian work reporters for Lusky's paper did in helping to solve a murder mystery in Denver.

As you read it, please bear in mind that this is no movie script, nor TV murder mystery. It is the work of a dedicated bunch of people dedicated to bringing you the news as honestly and as rapidly as they can.

Here is how Lusky wrote it: "This is the kind of story a city editor likes to write."

"It is a story of hard-hitting newspapering... of a battered unidentified body in a canyon... of a suspect in the darkness of anonymity until the bright glare of good reporting found him."

"It is a story of sharp, perceptive work by reporters seeking facts, of persistence and of quick thinking."

"The story really began on the afternoon of July 16. On that bright, humid day, the battered remains of what had been a young, pregnant woman were found in Clear Creek Canyon west of Denver."

No Clues or Leads

"No clues to identity. A blank wall of leads."

"The Rocky Mountains News headed the story Sunday."

"On Monday morning the News published a photo of the dead woman's purse, sandals, necklace and belt. Would someone come forward who could help find out who the victim was?"

"The sheriff's office was flooded with calls, but most of them seemed wild guesses. News Reporter Bob Stapp sat at Sheriff Carl Enlow's elbow, helping to evaluate the incoming information."

"Reporter Ken Pearce kept a steady phone check on other skippy leads."

"Then the first break came at 2:30 p.m. Monday. A doctor phoned. He had employed a young woman briefly as a domestic. She had worn clothes similar to those in the News picture. Her name was Zelma Broadfoot. He didn't know where she was now but he had referred her to the City Welfare Department."

"A 12-year-old girl called to say she had met a young woman on a bus the previous week. She thought the accessories were the same as the woman had been wearing."

"The woman had told her she was Zelma Broadfoot."

"At 3 p.m., Reporter Pearce called the welfare department. What about Zelma Broadfoot?"

"Yes, she had been there. She had said she was pregnant. She wanted help, or a job."

"The welfare department had suggested a list of possible employers. Pearce started checking. Reporter Chuck Roach relieved him."

"Shortly before 5:45 p.m. Roach called the Florence Crittenton Home."

Net Begins to Close

"And the net began to close around a confessed killer."

"The Crittenton Home remembered Zelma Broadfoot. And, more important, one quick-witted official recalled that the girl had asked the home to call a cab for her."

"She wanted a specific driver, asked for him by name."

"The name was Brooks."

"Roach checked the tax drivers' roster. Alvin Wesley Brooks had been driving for a cab company since Feb. 17, 1955. Brooks had a record of arrests, but no convictions."

"The welfare department meanwhile had found more information on Zelma Broadfoot. She had lived at a downtown hotel. Her parents were in Eminence, Mo."

"Roach called the hotel. Not only did Zelma Broadfoot live there. So did Alvin Wesley Brooks. And he had gotten her the room."

"Roach told the city desk. The desk told Stapp. Stapp told Sheriff Enlow."

"Enlow quickly dispatched two deputies to pick up Brooks."

"It was now 6:30 p.m."

## Spring Valley Sanitation Chief Topic in Area Affected by Bond Election

A bond election is scheduled September 27 for the Spring Valley Sanitation District, within the outlines as drawn by the authorities, of the property affected. These outlines exclude the property owners in the larger district included in the bond election held two years ago, which was defeated.

The former boundaries included a considerable area in the La Mesa district, including the Mt. Helix and Grossmont area, where a sizeable opposition to the project developed. Since this area is not included in the present district, and two years delay has changed the viewpoint of many of the voters whose property is affected, together with tentative ruling by county health authorities that sanitation facilities must be installed in Spring Valley or building permits will be cut off, sentiment for the bonds is said to have changed materially.

This election will call for the approval of \$735,000 in bonds for installation of trunk lines and treatment plant of closed type, and will take care of the ultimate growth. This to be located at the south end of the valley. It is figured that with an assessed value of \$6,400,000, the first assessment will be 55¢ per \$100 assessed value, that amount decreasing as more connections are made.

Chelton and Bolenback, builders of Allied Gardens and Murray Manor, have recently purchased land that will be available for connection with the proposed line, and have stated that they will build 500 houses when the sewer is in. Their property is adjacent to the proposed treatment plant.

Some sections that were opposed to the former district have changed to a favorable view of the proposal. For instance, Lee Manor, which was opposed to the first proposal, while still in the district, is now 16 to 1 in favor of the new district and bond issue. This was ascertained by a canvass of the homes.

When the new district was outlined by the authorities, those opposed were left out in large measure, and they will have to provide other means of disposing of the effluvia.

Some of the property owners in Mt. Helix area, which is not included in the present setup, as before stated, indicated they do not need sewers, and voted down an invitation to come in to La Mesa city and thus take advantage of La Mesa's arrangement with San Diego.

The present sewer at Brookside, which is now hooked up with Lemon Grove, will be changed over to the new district, as San Diego has refused to accept any more customers unless they are in the drainage slope of the city. Lemon Grove therefore cannot handle anything but free-flowing lines.

A lively campaign for the bonds is being made by those favoring the proposal, with meetings in the homes of various residents. These meetings will provide speakers familiar with the situation, and are expected to educate the property owners to the advantages of the project.

Every registered voter in the proposed district will have the right to vote on the proposal, property owner or not, but a property owner who does not live in the district cannot vote. Registrations have closed for this election.

## 20-30 Club to Take Paper Donations

The La Mesa 20-30 Club will have a truck parked in front of the refrigeration store, 7971 Broadway, Lemon Grove, all day Saturday, August 20, and part of Sunday, for newspaper donations. Proceeds from the sale of the papers go toward the youth fund for children in this area.

"Pearce put in a long-distance call to Eminence, Mo. The Broadfoot family lived in the country. No phone there. Switchboard Operator Elsie Ward sent a messenger."

"The young woman's father came to the phone. It sounded like his daughter. She had left for Denver July 8. She had written him July 13 that she was fine. No word after that."

The News 7 p.m. edition said identification was near.

"She had a poorly fitted upper bridge, her father said."

"That clinched it. The girl in the canyon had an upper bridge."

Man in Custody

"Brooks arrived in custody at the sheriff's office. It was shortly before 8 p.m."

"Enlow began skilled, careful questioning. Pearce took over at the sheriff's office while Stapp began to write the rapid-fire developments."

"At 12:10 a.m. Pearce called."

"He says he killed her."

"By 1 a.m. the confession was complete and detailed, and in print."

"Photographers had caught the tense expressions of the confessed slayer, and there was art on Page 1 too."

"And here were the headlines. News readers saw as the editions in turn came off the press:

"Identification Near in Mountain Mystery Slaying."

"News Helps Identify Slaying Girl."

"Cabbie Held in Slaying of Girl."

"Cab Driver Admits He Killed Girl."

## BOARD SETS SEPTEMBER 12 AS SCHOOL OPENING DATE

A report on plan preparations for the San Miguel School additions will be heard next Monday evening, August 22, when the Lemon Grove School Board holds its second meeting this month. R. L. Eggers, architect for the four classrooms, will make the report. Other business to be considered at the meeting, which begins at 7:30 p.m. in the Lincoln Street Education Center, includes the allocation of fire insurance, approval of the revised bus schedule and the contracting of an additional driver, and the approval of bids on paint and painting supplies. The planned program for operation of the district's four school cafeterias will be presented.

September 12 is the date for the formal opening of classes here this fall. S. K. Solleder, assistant superintendent, will report to the board on plans for

## TWO SWEDISH BAKERS BUY OUT GROVE PASTRY

Two bakers whose jobs drew them together in Oceanside, California, have purchased the Grove Pastry Shop at 7815 Broadway and are operating it under its former name.

The men are Carl Fagersten and Alf Ohlund. Fagersten was born in Stockholm and came to the United States in 1949. Ohlund was born in Oregon but returned to Sweden with his parents when he was four years of age. He, too, came to the U. S. in 1949 and served three years with the Air Force during WW II.

While they will retain the Grove Pastry designation, they will add Swedish and Danish pastries. They will make pastries for every occasion and will fill special orders. The men have attracted considerable attention for their ability to build unusual wedding cakes.

It is good that most of us never know what other people think of us.

school opening and the pre-school workshop for teachers which is scheduled for the week of September 6 to 9.

## Newspaper to Hold 'Open House' September 2

The Homeland Publishing Company will hold "open house" Friday, September 2, from 6 to 9 p.m., and all readers are invited to make a tour of inspection of the new quarters at Lester and Imperial Avenues.

Cookies and lemonade will be served to visitors. A full crew of men will be working and special souvenir newspapers will be run off and distributed during the event.

The newspaper moved into its new home earlier this month at 7834 Lester Avenue, one block north of Broadway and one door east of Imperial. This is just beyond the Grove Theatre.

The building was designed and built by the paper's publisher, Max Goodwin. The Homeland Publishing Company owns and publishes the Spring Valley Bulletin and the Lemon Grove Review.

## County Values Up \$55 Million As Tax Rate Stays the Same

The County tax rate will be pegged at \$2.08 this year, the same as last year's rate, Dave Bird, county supervisor, reported.

"We've got \$55 million new and increased value this year," Bird said. "This amounts to almost \$1,200,000.00. Voters asked us to spend about \$650,000 for bond retirement on a new courthouse; we have \$450,000 set aside for salary increases, and another \$450,000 government health funds." The entire budget will be approximately \$7 1/2 million dollars. The supervisors first estimated an increase of 8 1/2¢ but surplus funds from the last tax year of about \$650,000 brought down to shouting distance of the present rate.

A revision downward of their estimate on delinquencies from 4% to 3% brought the tax rate down to the same level as the preceding year.

It is expected that the supervisors will adopt the \$2.08 levy when it is presented August 30.

J. W. Anderson, budget officer in the auditor's department said the supervisors had already informally approved the budget.

## NEWSPAPER GIVES L. A. DIRECTORY TO LIBRARY

There's a new service at the Lemon Grove Library and it is by courtesy of the Lemon Grove Review.

## Highway 94 Annual Barbecue To Be Two Day Affair

Highway 94 Club Inc will hold its annual benefit barbecue this year during the Labor Day holiday, Sunday and Monday, September 4 and 5, at Sam Moore's Ranch and Lake, just north of Highway 94 at Potrero.

Purpose of the affair, according to club spokesmen, is to raise funds to promote the development of Highway 94 as a snow-free low level highway east, to speed up tourist and commerce trade for San Diego and to insure a desperately needed outlet for the evacuation of the population in the event of disaster.

The more than 300 club members, all residents along Highway 94 and its approaches, point out the value to the city and county of an additional improved artery east and urge the support of everyone from both a business and safety factor.

An invitation to attend the holiday event is extended the public. Gates will open at 10:30 a.m. both days, and along with the barbecue there will be boating, fishing, dancing, and games of all kinds for both adults and children. In addition, there will be a benefit dance Saturday night, September 3, at nearby Barrett Cafe, where free camping facilities are available for those wishing to rough it.

## WOMAN'S CLUB JUNIORS WALK OFF WITH FIVE FIESTA RIBBONS

The Lemon Grove Woman's Club Juniors walked away with five ribbons at the Twenty-fourth Annual Fiesta de las Flores in La Mesa. The Juniors placed first in cut flower arrangement; second in display, depicting the club theme; second in fruit and vegetable display; under the table setting section, they placed third in buffet supper table setting; and an honorable mention in TV tray setting. Mrs. Wm. Miller, chairman, was assisted by Mrs. Billy Castle, Mrs. Bennie Jones, Mrs. Kenneth Nelson and Mrs. Don Lewis. Mrs. Miller said more entries were received this year than in previous years, so hats off to the Juniors entering five divisions and winning five awards.

## Lemon Grove Boy Makes Second Visit to London

Alan Batchelder, PFC, USA, stationed at Scheuern, Bavarian Alps, paid his second visit to London recently while on leave. Alan has served 21 months of two years service. He was a voluntary draftee, and was sent to Europe after three months training. He says nothing in his letters about his duties, except that he is on duty eight hours some days and builds up leave, so that he can take trips around. He hopes to visit Italy before returning to the United States when his enlistment ends. He will be home in February, and expects to complete his college course.

Alan is a son of Mrs. Marion Batchelder, has a brother and two sisters here, and had started at Pomona College when he realized that he was "available" for Army service, so he volunteered.

—D. H.

## C.P.O. Wives Invited To Take Part in Social Group

Chief Petty Officers' Wives' Social Group will hold their monthly gathering at the Chief Petty Officers' Club, North Island, September 1, at 1 p.m. There will be a back to school fashion show. The luncheon is \$1.00. We welcome all C.P.O. wives in this area. There are no dues, officers or by-laws—just a social group. You are welcome to bring a guest. For reservations or further information call Mrs. Bennie C. Jones, HO 6-6348.

## Native San Diegan Chooses Lemon Grove Home

Mr. and Mrs. A. E. Young are recent purchasers of a home at 1515 Dupont, and like their selection of Lemon Grove as a place to really live.

Mr. Young was born in San Diego, and has lived in various parts of the city, moving here from East San Diego.

The Youngs have three sons, Alan 5, David 3, and Stephen 1, all prospective students of Lemon Grove School District's facilities. Mr. Young expects to send the boys to college, realizing the advantages of a college education for young men. He thinks that an adaptability survey for young folks should be made before they enter high school, so as to select the proper subjects for specialization study.

Carolyn Jean Oliver, daughter of Mr. and Mrs. Everett Oliver, 4162 Charles Street, Vista La Mesa, will become the bride of Jerry J. Campbell, son of Patricia Hutchinson, 7543 Davidson Street, Lemon Grove, September 3.

Both young people attend State College. Miss Oliver works in the business office. The groom-to-be is a Kappa Sigma member. The wedding will take place at Our Lady of Sacred Heart Church. Mrs. Hutchinson owns and operates Patricia's Sportswear Shop, in Lemon Grove.

## New Home for Local Newspaper

This is the new home of the Homeland Publishing Company, the firm which publishes this newspaper. It is located at 7834 Lester Avenue, off Imperial between North and Broadway.

The building, containing nearly 2600 square feet of space, was designed and built expressly for the publishing firm.

The publishing firm and the building are owned by Max Goodwin. He bought the Lemon Grove Review in March, 1952, when it was located at 7882 Broadway. The same year he moved it to 3445 Imperial Avenue in a building built for the newspaper by George

## Ladies Take Over Duties as Hospital Auxiliary Helpers

By MARY LANDESCO

Monday, August 15 will live long in the memory of at least 26 members of Grossmont Hospital Women's Auxiliary. It was their first day of service as in-hospital volunteers: six in the lobby gift shop, five in the auxiliary room, three in the library service, and 12 as "auxiliary aides" on the several floors.

In the gift shop, two volunteers for each of three shifts were on hand that fateful opening day to make sales to all visitors and any others who might wish to buy the attractive wares on display. A member of the gift shop committee was there to supervise, and of course, Mrs. Von Marshall, La Mesa, chairman.

Two members of the clerical group for two shifts and one for the third took over in the auxiliary room, checking the in-hospital volunteers in and out; recording service hours; posting schedules, assignments and stations on the bulletin board, etc., under the supervision of Mrs. Charles Arts, Fletcher Hills, the group's chairman.

Three volunteers were there to "man" the reading service cart—one for each shift—supplying books, magazines, etc., to patients desiring reading matter; this service in charge of Mrs. Howard Ball, Alpine.

Of the 12 remaining, three were assigned as receptionists; three for duty on the first floor, mainly in the maternity wing; and three each on the second and third floors—one at each station per shift. Mrs. Duval Ellery, El Cajon, is chairman, and Mrs. Rupert Linley co-chairman of this group.

These "firsts" will be repeated daily, including Saturday and Sunday, until the first cycle of assignments has been completed; that is, until each in-hospital volunteer who has accepted a definite assignment has had her turn. The "Auxiliary Aides" have been given once-a-month duty for the present, in order that each member who wishes to work in the hospital may have an opportunity to do so.

## FASHION SHOW PLANNED BY ST. PHILLIP'S

The Woman's Auxiliary of St. Philip's Episcopal Church, Palm at Hardy Road, will hold its third Summer Dessert Card Party next Tuesday at 1 p.m. Door and table prizes will be given.

The Senior Choir, together with the vicar, the Rev. J. Phillip Bartlett, will assist at the 6:30 evening service to be held Sunday, August 21 at Viejas Honor Camp, near Alpine. The Rev. Ralph D. Bonacker, chaplain of the Episcopal county and city mission work, is in charge.

Plans are afoot for an Autumn Fashion Show to be held in the church rooms Wednesday evening, September 7, and Mrs. Harry O. Krum, president of the Woman's Auxiliary, and Mrs. William Stark, ways and means chairman, have this interesting event well under way.

St. Philip's presents a new appearance these days, with memorial shrubs and trees being set out under the energetic direction of Mrs. Iver Petersen and Mrs. Steve Jurchenko. These two, ably assisted by young Steve Thron, Iver Petersen, William Nohomb and Richard Koehrer, have spent many hours this past week, with the further assistance of Archie Brack and Terry Hitchcock, who helped dig and plant five trees last Monday.

**Unfair to the Ants**  
A talking picture of an ant hill is to be produced this year. One more illusion will go its way when we can listen to ants wasting a lot of time in idle gossip.—New York Sun.

**BEAN burgers!** That's a recipe to put in plain view when your junior high Jean or Jimmy takes a turn in the kitchen. Watch the freshman cook go to town with the can opener! In no time at all he'll have turned out a dish to do him proud. And one that Dad can truly enjoy. For bean burgers are made with cans of pork and beans and spaghetti sauce with meat. A hearty combination that's a "do-little" dish.

Tossed salad of lettuce leaves, carrot rounds, and celery chips will taste good with the burgers. Fruit cocktail from the can and sugar cookies can be dessert.

**Best-Ever Bean Burgers**  
1 medium onion, sliced  
1 tablespoon butter or margarine  
1 can (16-ounce size) (1 1/2 cups) pork and beans with tomato sauce  
1 can (1 1/2 cups) spaghetti sauce with meat  
6 slices process cheese  
6 hamburger buns, split and toasted

Brown onion lightly in butter. Stir in beans and spaghetti sauce. Boil. Place cheese slices on toasted buns; spoon hot sauce over all. Serves 4.

## Michael's Celebrates Third Anniversary With Festivities—and 25,000 Meals a Month

Michael's, a \$150,000 Lemon Grove owned and operated restaurant, that has literally "put Lemon Grove on the map" in three years, is celebrating its birthday Tuesday.

Henry Goldy, owner of the firm, said that free dancing from 8 p.m., free entertainment and free souvenirs would be handed out to all who attend. Goldy started the cafe bearing the name of his son three years ago at 7823 Broadway in an area of 2,000 square feet. Eight months later he added 1,200 square feet more of space by building the Okole Maluna room and increased the area of the kitchen by acquiring the raw land behind 7830 Broadway. Later the name of this room was changed to Flamingo and the Coral Room was added. Six months later he acquired the land behind 7832 Broadway and built the Acapulco Room which added another 2,000 square feet of dining area. On the second anniversary of the restaurant Goldy enlarged the Coral Room and the establishment reached 10,000 square feet in area.

Many dignitaries will be present Tuesday when birthday festivities start. Also present will be many of the persons who were with the organization when it started.

"More than 75% of our original help is still with us after three years," Goldy said. "I credit my wife Estelle with establishing the fine relationship existing between the cafe management and personnel. She's been in charge of that department since we started."

Michael's had six employees and a payroll of \$1,500 a month when it started, Goldy said. Now the firm employs 66 with a payroll payout of \$250,000.00 a year.

"Most of our employees live in Lemon Grove," Goldy pointed out. "That means the money is kept here."

The restaurant serves 25,000 meals per month, which is almost army platoon size. Goldy said. "We serve it different than the army though," he laughed. "As a matter of fact we even pre-

pare it better than home cooking. If we couldn't do a better job than home there'd be no need for a place like ours and we'd soon be out of business."

The same chef who was in the kitchen three years ago is still head chef. He is Paul Hoffman, who started in the kitchen alone. Now he has 11 cooks working under him. Hoffman said the help turnover was the smallest of any organization he was ever connected with. "We got a special commendation in National Restaurant Magazine recently for having the smallest turnover in help of any restaurant surveyed by the magazine."

"I get amused occasionally at the things I see on some San Diego restaurants saying they have employed the 'original' chef of Michael's. I'm the 'original' chef and I'm still here," Hoffman said.

Goldy said that Lemon Grove offered a successful future to anyone who had a good product or service at a fair price. "We want to continue to contribute to the growth of the community," he said. "Circumstances may dictate a move in the future. We have a lease on option on some property elsewhere but we hope we do not have to exercise the

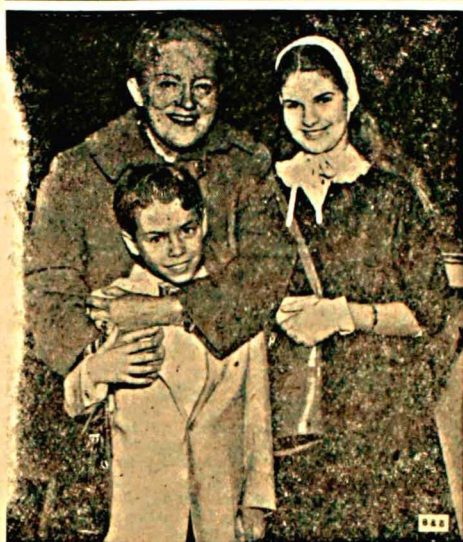

## WINNERS NAMED IN HOLLYWOOD BEAUTY CONTEST

Mrs. Tom Mitchell, 7824 Barton Drive was winner of first prize. An electric rotisserie, given at an opening drawing of the Hollywood Shop, 7832 Broadway.

Electric steam irons were won by Mary Bratt, 9592 La Mar St., Spring Valley; Mrs. Philip Zeigler, 1751 Valleywood Drive; Lora Bowman, 7561 North Avenue; Mary C. Price, 3640 Costabella, and Alice Johnston, 3225 Olive Street.

Winners of the Hollywood cold wave which is a feature of the

## "Mama" Takes Youngsters on Hudson River Cruise

Peggy Wood, star of TV's "Mama," treated her family to an evening cruise on the Hudson River before taking off for summer vacation. Pictured here with Miss Wood are Kevin Coughlin (T. R. Ryan) and Robin Morgan (Dagmar) on the excursion steamer, "The Hudson Belle." During the

establishment were Inga Sledzen-ski, 1724 Colfax; Mrs. F. M. Vandenberg, 7872 Broadway; Mrs. Mrs. Frank Hutchinson, 4590 Pomona, La Mesa; Mrs. C. Halterman, 4558 Toni Lane; Anita Atfelter, 7606 Marie, La Mesa; Bernice G. Faucett, 8100 Lemon Ave., La Mesa; Rosemary Allen, Lakeside, Calif.; Louise Collins, 4073 36th Street, San Diego; Marie Kygar, 2595 Buena Vista; and Mrs. J. H. Miller, 9972 Campo Road, Spring Valley.

The Lemon Grove shop, sixth of a growing chain of \$3.95 permanent wave specialty shops is owned by Kenneth Priest, a Lemon Grove resident.

## S. M. P-TA PRESIDENT ATTENDS PROCEDURAL COURSE

Mrs. H. D. Pendergrass, president of the San Miguel P-TA, is attending a five-week course on Parliamentary Procedure for Parent-Teacher work at the Lemon Grove Education Center. This course started August 10 and promises invaluable information for the coming year. Also representing San Miguel at the August 10 meeting were Mrs. Ann Estes, Mrs. E. B. Ellison and Mrs. Elizabeth Bunch.

## La Mesa Camera Club Announces Winners

At the last meeting of the La Mesa Camera Club, the following monochrome prints for August were given honorable mention by Walter Harvey of La Jolla, judge and critic: George Dulla's "Look Out," and "Coyamaca"; L. E. Mayo's "Leafy Arms in Prayer" and "Ciudad de Los Cielos"; Rose Rowe's "Stuart"; A. T. Knight's "N. T."; Juanita Sistrare's "Fisherman's Shack"; Fred Silvernail's "Yucca."

George Malor, assisted by Ben Dalbo, gave a very instructive and illustrative talk on "How to make and assemble a travelog," taking the club on a very real and educational tour to Niagara Falls, Buffalo and Toronto.

The club had a splendid showing of Monochrome Prints at the La Mesa Flower Show last Friday and Saturday.

The La Mesa Camera Club will meet today (Wednesday) for a potluck supper for members and families. Mrs. Phyllis is chairman.

## Speed Mail in '3 Point Program' Says Post Office

The public can help get better mail service by cooperating with the "3-Point Program," the Post Office Department said.

The "3-Point Program" involves:

1. The sorting of mail into local and out-of-town bundles, and with regular 3c mail separated from air mail. Post offices will furnish "all for out-of-town" and "all for local delivery."

2. The tying and bundling of mail by those who mail in quantity. Fuller said, "This sorting procedure is normally relatively convenient for business firms but it becomes extremely time-consuming when it must be done in the post office."

3. The parcels mailing of letters and parcels. Fuller said, "If more mail would be deposited earlier in the day, peak loads would be reduced and a larger proportion of mail could be dispatched by earlier trains, planes and motor vehicles, thus assuring earlier delivery."

Fuller said, "The '3-Point Program' can only succeed if the Post Office Department receives the active cooperation of the public."

## Brooksie Man Commended in Navy Paper

An article in the North Islander (newspaper for North Island), dated July 29, read as follows: "Aviation Chief Machinist's Mate Bryce E. Tibbitts, Maintenance Leading Chief of Patrol Squadron Forty-Two, received a letter of commendation last Friday (July 22) from his commanding officer Cdr. J. C. Azab during VP-42's change of command ceremonies."

The letter of commendation cited Chief Tibbitts for his "outstanding qualities of initiative, leadership and professional competence," during VP-42's recent deployment.

Tibbitts, a native of Pratt, Kansas, enlisted in the Navy during November, 1936, and has been serving with VP-42 since August, 1952.

Chief Tibbitts actually left Pratt, Kansas when he was an infant, and thereafter resided in Deerfield, Kansas. He, his wife Annabel and their two children, Ann Marie 3, and Dick 2½, live at 3381 Pat Drive, Brookside. They have lived there for four years.

## Lomita Village P-TA Has New President

Mrs. Oleta Highsaw is new president elect of the John James Audubon (Lomita Village) P-TA, this office being vacated by Val Gordon who resigned to return to the Oakland, California police force.

A special meeting of the executive board was called to order August 9 at 7 p.m. in the school auditorium. Twenty-one members were present. The board decided to serve the faculty a luncheon on September 7.

The first regular meeting of the organization will be held in the school auditorium September 20 at 7:30 p.m.

## Writer's Club to Have Workshop

The Lemon Grove Writer's Club will hold its monthly meeting next Monday in the First Presbyterian Church, El Cajon, Board meeting at 1:30 p.m. Regular meeting at 7:30 p.m. The main business of the day will be workshop (manuscript reading and criticism). Members may bring guests.

## STATE TO HIRE LARGE NUMBER OF PRISON GUARDS

California needs more men for guard duty at its state prisons. Officially known as "correctional officer," the job pays \$325 to start, with advances to \$395. There are frequent promotional opportunities.

Most of the vacancies are at Soledad, Tehachapi and the new Men's Colony near San Luis Obispo. Some jobs are available at all the other six institutions except Chino.

Examinations are open to any capable man who has had two years of experience at some regular job or two years of military service. Two years of college also qualifies.

Information is available at Department of Employment on Columbia Street in San Diego.

HIGH AS AN ELEPHANT'S EYE—Miss Bitzer of Riverside, finalist in the competition for Farmer's Daughter, ruler of the 1955 Farmers' Fair of Riverside County, eyes the tall corn grown in the Hemet-San Jacinto Valley. This year's fair runs through August 21, at the Hemet Fairgrounds.

Want-ads get fast results. To place your want-ads call HO 6-4133

## CARR'S CORNER

Stamp collecting is a fascinating hobby and attracts some outstanding qualities of initiative, leadership and professional competence," during VP-42's recent deployment.

Here in California almost everyone collects stamps, mostly trading stamps in green, blue, gold and other hues. When we have time we unstuck those in our pockets and then patiently stick them in their respective books. When we have filled a book we tote it down to the redeeming office where we hope to exchange it for something that we can use.

In our store, Carr's we feel that all this is a roundabout and wasteful procedure and that instead of procuring the stamp company 3% for stamps worth 2%, to you, we should just hand you the whole 3%. We have done this for some years and can't find a better system. Many folks consider that this 3% dividend pays their sales tax, which takes the cool off this unpopular keep.

Have you seen our COOL WINDOW? It features a number of good items for this unusual weather.

Carr's  
 Lemon Grove  
 Adv.

## DEADLINE SET FOR STATE ENROLLMENT

Saturday, August 20 is the last day students may apply for admission to the fall semester at San Diego State College.

Incoming freshmen will take qualifying examinations on that day if they have not already done so. This will be the last opportunity to qualify for admission in September. Reservations for the tests must be made by Saturday, August 13.

Transfer students must have official transcripts on file as by August 20. New students will attend the testing and advising program September 12-14 before registration September 14-16. Classes will begin September 19. Applications for admission and for the freshman tests should be filed at the Admissions Office, according to A. E. White, admissions officer.

## Cal Western U. to Give Church Course In Group Dynamics

A college course in Group Dynamics designed especially to fit the needs of church leaders and church school teachers will be presented during the fall semester by Dr. Robert J. Taylor, Ph. D., of California Western University.

Classes will be held in the La Mesa Methodist Church, 4690 Palm Avenue, on 12 consecutive Thursday evenings starting September 19. Cost of the course for those not desiring college credit is ten dollars, for those who want college credit, 17 dollars. A limited number of scholarships are available. Information on enrollment or on scholarships can be obtained from Barbara Hunt of the La Mesa Methodist Church, HO 6-4163.

Group Dynamics is a new approach to group handling techniques through the use of group psychology. It reveals how and why people in groups act and think in ways which are different from and sometimes contrary to the ways they would think and act as individuals. Dr. Taylor is a nationally recognized authority on this subject, which he has taught for some years with outstanding success.

## FRIENDS CHURCH BIBLE SCHOOL HOLDS PROGRAM

The Friends Community Church Vacation Bible School held its program at the church last Thursday at 7 p.m. Theme of the program was "Sailing with Christ." Mrs. Marian Askew was pianist.

The program opened with sailors entering, singing "Onward Christian Sailors."

Then the opening prayer was given by Rev. Bronner.

Third, the beginners sang (with gestures) the Sailor's Song.

Fourth was a skit depicting Noah, his family and animals, with two songs, "Jesus Loves Me" and "Do Lord."

Fifth, the juniors sang "Let the Lower Lights be Burning."

A prize was awarded by Mrs. Taylor to Donald Brackman Jr. for bringing the most members. Presentation of certificates was made by Kenneth Kunkle Jr. for attendance.

Visitors viewed the various exhibits, and refreshments were served in the patio.

Those who so freely gave of their time to make the Vacation Bible School such a success were Mrs. R. Taylor, chairman; Mrs. Barbara Meyers and Mrs. Pat Lucas, leaders for beginners; Ruth Taylor and Lois Duncan, primary; Gertrude Cisco and Lilly Kunkle, juniors; Sharon Clark, Celia Taylor, Gail Ralston and Kenneth Kunkle, helpers. Ladies of the different department were Mrs. Ralph Cisco, Mrs. Mae Williams, Mrs. Nell Austin, Mrs. Patty Brackman and Mrs. Florence Lucore.

## ANNUAL PICTURE NIGHT AT PADRES GAME SET AGAIN

The San Diego Baseball Club announces that their annual picture night will be held on Wednesday, August 24.

Everyone attending the game between the Padres and Oakland that night will receive a beautiful 11 by 17 inch color picture of the 1955 Padres, absolutely free. Game time 8 p.m.

## Foothills Art Association To Exhibit

Here is a list of the places and the artists of the Foothills Art Association who will exhibit during the months of August and September: Bank of America, downtown, Samuel Jacoby; Bank of America, North Park, Helen Hill; Bank of America, Highland, Pat Wood; Bank of America, La Mesa, Elizabeth Crowningshield; Bank of America, Mariborough, Marie Edwards; Bank of America, National City, Julius Sturze; North Park Gas and Electric, Ralph Smith; La Mesa Gas and Electric, Flo Heffler; Rose Hedge Manor, La Mesa, Phoebe Burnam; La Mesa Library, Virginia Campbell; El Cajon Library, Helena Russell; Lemon Grove Library, Col. Gent; Sweetwater Dining Room, Helen Goodall; Dr. W. L. Young, 360 Highland Ave., Connie Burr.

**Secrets**

## New Residents Like Lemon Grove After 15 Years in San Diego

Mr. and Mrs. Robert E. Christy are settled in their brand new home at 8526 Troy St., with daughters Roberta Ann, 12 and Karen Lee, 9 years. Mr. Christy is a mechanical engineer, a civilian employee of Naval Electronics Lab. He served two years in the Navy and had his training in that branch.

Mrs. Christy is enthusiastic about Lemon Grove as the right place to live in. For the past 15 years they have lived in San Diego, but decided that a smaller community tended to more neighborliness and enjoyment. Almost her first item of business was a visit to the Review office and a subscription.—D. H.

The Livestock Show at the California State Fair and Exposition, scheduled September 1 through 11, will be the greatest show in the history of the fair, with a record 5359 animals entered in both open and junior divisions.

Facilities at the fair will be filled to overflowing during the 11 days of the fair, and livestock exhibitors will view for \$121,509 in premiums offered, another record. State Fair model Joni Kretz is pictured with one of the entries in the 1955 show, BMW Prince Larry 30th, a Hereford bull from the ranch of Richard Morse, Carmichael.

## Tea for Choral Club Planned

The hilltop home of Mr. and Mrs. F. L. Bunch Jr. in La Mesa will be the setting of the informal tea to be held Thursday, August 25, from 2 p.m. to 4 p.m. for the members and prospective members of the San Diego Choral Club.

Newcomers to Lemon Grove as well as others are extended a warm invitation to the tea. Contact Mrs. J. E. Hitt, membership chairman, AC 2-3867 for further information.

Weekly rehearsals will be resumed September 15. A nursery is provided for pre-school age children while their mothers are in rehearsal.

## Work Horse of the Air Force

New and versatile helicopter, this useful addition to our air arm, is like the army mule — it will take on all the hard jobs, perform under all conditions and is ready to go to work at a moment's notice. Appropriately called the Work Horse by the U.S. Air Force, its missions include troop carrier assault, resupply, aerial evacuation, rescue missions, observation support in combat, liaison and even sweeping of mine fields. Equipped with appropriate gear, it will land on water, snow, mud, tundra — almost any surface you can find on the earth. Its unusual maneuverability is achieved by two tandem motors, powered by a single 1400 horsepower engine. The Work Horse will accommodate 22 passengers or 12 horses.

## SPRING'S PAL, VERNA

Verna Felton (left), the highly hilarious girl friend of Spring Byington (right) on CBS-TV's "December Bride" show, may be the highest paid actress on television—per spoken word that is. A five-word speech on a Disney-land auto commercial has netted her \$2,500 counting royalties. So now she's looking around eagerly for a nice big 10-word commercial while vacationing this summer along with the rest of the "December Bride" cast.

Not in the least coy about her age (she's 65), Verna has played a variety of choice roles on radio and TV during her career. These include roles as Dennis Day's domineering mother and Red Skelton's bombastic grandmother.

For a while too, she was being louted for a job which could have made her as famous a character actress on TV as Marie Dressler was in the movies—the title role in a contemplated "Tugboat Annie" television series. Unfortunately, the deal fell through.

What with her important part in "December Bride," four cocker spaniels, one of which was used as a model for the Lady in Disney's "Lady and the Tramp," and an 18-month-old granddaughter, Verna doesn't have too much spare time for hobbies—except spoiling the above mentioned personalities. However, she is an ardent card fan and will play a game at the drop of a deck.

## Spring Valley Man Vice Chairman of M. S. Committee

At a special meeting of the board of directors, San Diego Chapter, National Multiple Sclerosis Society, held July 15, H. L. (Chips) Obertreis of 10304 San Vicente Boulevard was elected vice chairman of the executive committee. Others elected were Thomas J. Elliott and Harold D. Cornell, co-chairmen; Gus B. Colgain, second vice chairman; Mrs. Don Vincent, secretary; Truman P. Solberg, treasurer.

Although the officers of the board are usually elected at the time of the annual election held in February, a mid-year election was necessary because of the advancement of the local from branch chapter to full chapter status under the NMSS in New York.

## Local Firm in Huge Prize Give-Away

Red Goose "Treasurama," a nationwide prize-giving event, gets under way this week in Lemon Grove at Lane's Shoes, 7763 Broadway . . . but it's reserved for youngsters under 15.

Every two weeks prizes such as bicycles, wrist watches, record players and roller skates will be given. A grand prize of a ten day all expense paid vacation trip to any city served by American Airlines. The winner may be accompanied by one adult. These prizes, and they total 250, are to be given in addition to the Red Goose "Treasurama" prizes: six pairs of school shoes, three for boys and three for girls. "We're going to make certain that some Lemon Grove boys and girls win prizes," Lane said.

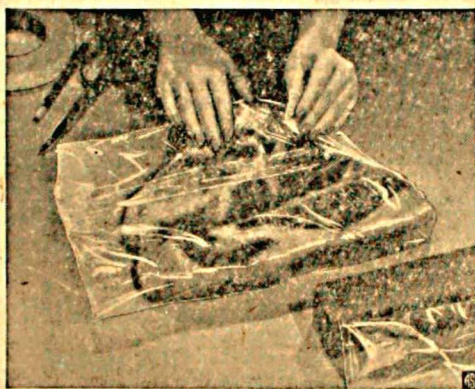

All boys and girls under 15 years of age are eligible to compete. "They must not have reached their fifteenth birthday by November 10, 1955," Lane pointed out. Entrants may submit one entry blank every two weeks and there is no obligation to purchase. Neither do the youngsters have to write, name, color or draw anything. "To win, all you have to be is lucky," Lane said.

The contest closes at midnight October 29.

## Gob Humor

Ain't people funny? If you tell a man there are 270,678,934 stars in the universe, he'll believe you, but if a sign says "Fresh Paint" that same man has to make a personal investigation—USS Reina Mercedes Galleon.

## Freezer Facts

Today's homemaker is a smart food buyer. One of her favorite tricks is taking advantage of "specials" in meats at the supermarket, buying extra cuts and storing them in her home freezer to stretch her food dollars.

But she also knows proper freezing must follow her trip to the store—if her thrift-wise shopping is really to pay off. Thus she keeps in mind three important points about freezing meats at home:

1. Choose high quality meats. Since freezing does not improve the flavor of any food, the frozen product will be no better than the food in its original state.

2. Package meats properly. Choose a wrapping material which keeps air out. When air is allowed to reach food during freezer storage, the result is loss of moisture, accompanied by a change in flavor. The food soon becomes unpalatable. The condition known as "freezer burn" occurs when air enters the package.

One of the best freezer wrapping materials on the market is the new plastic wrap made of saran. Because this transparent film clings to the shape of any food being wrapped, it is possible to mold the film closely even to irregular cuts of meat, such as roasts, squeezing out a maximum amount of air from the package.

Follow this simple method: First, pad any bony edges with an extra piece of saran; then overwrap with a single thickness of the film using the "drug store wrap" method; pull saran tightly around meat to get the closest possible seal before applying freezer tape; tape and label. Masking tape which may be written on is good and makes labeling easy.

3. Label foods accurately. Label each package with date, name of product, and approximate number of servings. It is helpful to add an "expiration date" to the label—the maximum storage time. Most freezer manuals will have storage time charts. Check freezer occasionally to use up those foods stored longest. Use all foods before expiration date. Careful attention to good freezer techniques and proper packaging will insure a high quality frozen food product.

## CERTIFICATE OF INDIVIDUAL FICTITIOUS NAME

No. 20289  
STATE OF CALIFORNIA, ) ss.

County of San Diego, )

Free Fried Chicken to Be

Church Canvass Feature

An all time record turnout, more than 700 members and friends of

the Congregational Church in Lemon Grove, will take part in a

Loyalty Dinner in the Balboa Park Club, San Diego, Friday at 7

p.m. at a free fried chicken banquet.

They will hear various church members explain the purpose of a

\$187,000.00 building fund canvass which is soon to get underway,

according to Dan Apra and Bruno Puschel, ministers. The Loy-

alty Dinner, the ministers said, is the second necessary step on a

road to a new sanctuary. The first step was made several weeks

ago when the church membership voted more than ten to one to

proceed with the building fund canvass.

"By this Loyalty Dinner we'll

give ourselves a show of maximum strength and spirit," said Art

Thomas, chairman of the building council.

What the third, fourth and subsequent steps must be to build

the new sanctuary will be explained at the dinner. Names of

speakers on the program are not being announced in advance, but

they will be laymen of the church who have been active in building

council activities.

Hostesses for the dinner are

Mmes. Esther Alexander, Dorothy Armstrong, Vera Chaffee,

Mary Coffin, Louise Dail, Faye Danielson, Margaret Durham, Le-

nora Ferguson, Phyllis Fosse, Be Garber, Alice Hacker, Marie Her-

der, Ruth Holmes, Yvonne Johnston, Dorothy Lindsley, Vera

Ludlow, Helen Nelson, Helen Netzel, Dassaah Newton, Agnes

Rife, Genevieve Stewart, Martha Thomas, Ruth Thorogood, Zora

Van Olst, Hart Vaughn, Alice Wilber, and Jean Woody.

Baby sitting services are being

provided in Friendship Hall to help those who could not other-

wise get to the dinner. Transportation arrangements can be made

if necessary by calling the church office. "We want to make it possible

for everybody to be there," Dan Apra said in announcing the

arrangements.

SEVEN GOVE BOYS TO RETURN FROM Y CAMP

One hundred and twenty campers from all sections of the county are scheduled to return

Friday from the city-county boys' period at YMCA Camp Marston,

near Julian, according to Bill Poirier, county Y secretary. Har-

old Stapley is program director.

All four summer sessions open to Lemon Grove campers had

waiting lists indicating an interest far beyond capacity, Poirier

mentioned. In several years, it is hoped, the new county YMCA

Camp Volcan will be able to accommodate those now unable to

attend Y camps. The new camp was dedicated August 7 and provides

facilities for club groups.

Lemon Grove campers returning Friday are Danny Deavers,

John Winslow Hall, Alan Johnston, Michael Jones, Martin Koen-

ekamp, Thomas Koenekamp and Dan Norr.

Lemon Grove August 19-26 girls' period camper enrolled is

Connie Perkins.

Al & Edna's Nursery Takes Blue Ribbon

During First Year Of Operation

Al and Edna's Nursery, Casa de Oro, which opened earlier this

year, won a first award at the annual La Mesa Fiesta de la

Flores. They took second honors in the professional nurseries division.

Prizes went to the nursery for blooming azalias, flowering be-

gonias and a variety of shrubs and trees.

Lemon Grove is 'On the Air' Every Tuesday

Lemon Grove is "on the air" every Tuesday, 12:05 to 12:45 p.m.

Margie, KGB, 1360 on your dial, features Lemon Grove in that

period, with an interview with some Lemon Grove personality,

and giving interesting history of this section. Last Tuesday Margie

interviewed Isabelle McCrae, aviatrix, very interestingly, followed

by the question of the day "When did LEMON GROVE Post Office

official name change to TWO WORDS, Lemon Grove?"

The answer, 1950, was phoned in by a lady living in Grossmont,

who won several substantial prizes for having the correct answer to

the question.

Prior to 1950 the post office department had a rule regarding

two names in the little round stamp. La Jolla had quite a bat-

tle to get that post office name "segregated," which was done

years ago.

The program for Lemon Grove Hour has several well-known

gentlemen listed for the next few weeks, including Dr. Frank Gigli-

otti and our own Max Goodwin, sometimes known as Mr. Lemon

Grove. So if your radio needs tuning up, better get her fixed

and tune in Tuesdays—D. H.

Tickets for the San Diego County Sheriff's Relief Association Rodeo, set for Del Mar Fairgrounds September 24 and 25 went on sale here last week.

First up to make a purchase was Judge Luther Hussey, local attorney. He is pictured making the purchase from Sheriff's Department Officer Claude Smith. Helping in the sale is pretty Barbara Sargent, 7641 Circle Drive.

—L. G. Camera Foto

Pet Hospital Owner Buys Home In Monterey Heights

Dr. Robert F. Burns, D.V.M., who opened Lemon Grove Pet Hospital in April, has purchased a home on Inglewood Avenue in Monterey Heights and has moved in. Dr. Burns was with the Arizona Street Veterinary Hospital in San Diego for five and a half years prior to his founding the Lemon Grove establishment last April.

The owner of the Arizona Street died recently of a heart attack and his widow approached Dr. Burns with an offer of \$1200 monthly salary if he would return and take charge of the hospital. Dr. Burns turned down the offer, as he wants to be in business for himself, and the Lemon Grove location suits him. His considerable investment in the local establishment, coupled with his purchase of a home here, indicates his confidence in Lemon Grove as a place to be in business—D. H.

Final Rec. League Game Set for August 26

The Lemon Grove Elementary School District Recreation League nears the end of its schedule. The schedule was Friday, August 26:

Fourth Grade Monterey Heights 9 3 San Miguel 8 4 Golden Avenue 7 5 Vista La Mesa 0 12

The fourth grade teams each have three more games to play. Monterey Heights and San Miguel will play their last game against each other on Tuesday.

Fifth Grade Eagles 6 2 Bears 4 4 Giants 2 6

The fifth grade teams each have four more games to play.

Sixth Grade Indians 6 2 Tigers 5 3 Pirates 4 4 Yanks 3 5

The sixth grade teams each have two more games to play. It could be possible for league to end in a three way tie for first place.

Softball Mario's Drive Inn 3 1 Ostberg's Plumbing 3 1 Herrera 2 2 Mayfair 2 3 C. Y. O. 1 4

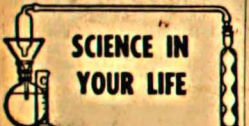

Olga Kranich, telephone company dial customer instructor, uses a stop-watch to time a call made by Charles Getzoff, age 9, in ten seconds flat. Although Master Getzoff dialed a test number correctly, other telephone users have been making a number of mistakes, causing themselves considerable embarrassment and inconvenience.

Ever sit down and figure out just how many man-hours you've been wasting on dialing mistakes?

Telephone users in the San Diego metropolitan area spent nearly 60,000 hours on the mechanics of misdialing during the past year, according to telephone company statistics.

Basis for these figures is mistakes were made on five per cent of 1,200,000 calls placed every day. Most numbers were dialed within 10 seconds. This comes to 160 man-hours daily.

Amount of wasted time was increased by people getting up from a scrabble game, out of the shower, etc., only to say when answering the telephone, "Sorry, but you have dialed the wrong number."

### SCIENCE IN YOUR LIFE

#### Summer Sore Throat

A sore throat in the summer time is your body's warning signal that you might be coming down with a serious illness.

A sore throat at any time can warn of an impending cold, or a more serious respiratory tract infection such as influenza or pneumonia. However, these illnesses usually strike during the cold, wet months of winter and rarely occur during the summer.

A summer sore throat may be the first sign of measles, diphtheria or poliomyelitis. If it is coupled with fever, you should call your physician immediately, for prompt medical diagnosis and treatment can stop a potentially serious illness from getting too deeply rooted.

However, most summer sore throats are merely symptoms of the common cold. Although antibiotics are of great value in controlling serious respiratory infections, they are largely ineffective against the common cold.

In fact, scientists have yet to discover any completely effective agents for the common cold—summer or winter variety. Although unable to prevent or cure them, physicians can help to remove much of the sting from common cold symptoms.

For the headache and muscle fatigue accompanying a cold, they recommend aspirin. For the stuffed nose often accompanying the cold, they may prescribe the nasal decongestant Tyline. For the patient, they advise patience—for the cold-causing germs, no matter what the medication, can persist in your body for as much as a week, or longer.

We can do little to prevent summer sore throats, but with proper care, we can prevent more serious illness from developing after the first warning signs.

#### NOTICE OF DISSOLUTION OF PARTNERSHIP

NOTICE IS HEREBY GIVEN that J. W. MULDER and M. P. HAMMERSTEIN, heretofore doing business as partners under the firm name of THE BROADWAY MARKET, 7203 Broadway, Lemon Grove, San Diego County, California, did on the 30th day of June, 1955, by mutual consent dissolve said partnership and terminate their relations as partners therein.

J. W. MULDER has retired from said firm and the partnership business, and M. P. HAMMERSTEIN will continue the business at the same place and under the same firm name. All liabilities of the business have been assumed by M. P. HAMMERSTEIN.

DATED: August 15, 1955.

L. G. Review August 18, 1955

### LEMON GROVE HOUR ON RADIO

A pert looking redhead, Margie Rogers, better known as "Margie" to her radio fans, has instituted a Lemon Grove hour via KGB.

Bob Pulliam, well known businessman in Lemon Grove, said, "Margie" has taken on our area as her own pet project. Every Tuesday at 12:05 p.m., she is dedicating her entire 40 minute program to Lemon Grove and its residents.

"Margie" reports on Lemon Grove activities, conducts a telephone contest with prizes from Lemon Grove merchants, programs music and interviews.

"Margie" and her program have regular sponsors. They are Lemon Grove Camera, Lemon Grove Radio and TV, Lowe's Toggery, Children's Bootery and Morrison-Adams Jewelers.

### Local Firm Makes, Sells, Installs Auto Safety Belts

Auto safety belts are here to stay and there's a firm in Lemon Grove which sells and installs them.

Dean Bobof, operator of Dean's Upholstery, 3412 Grove Street, says the day will soon come when auto safety belts will be mandatory equipment, just like windshield wipers.

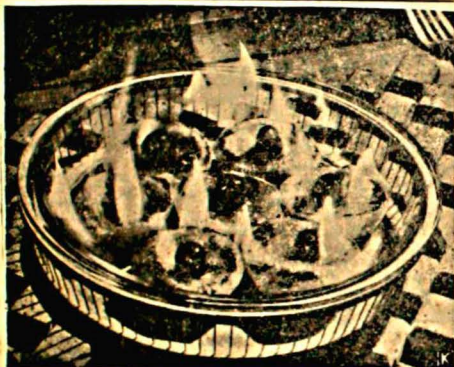

"We build them to aircraft specifications," Dean said. The belts stand a 300 pound test and are made completely of nylon.

In addition to safety belts the firm makes and sells seat covers, auto tops and draperies. They sell yard goods, leathers, plastics and upholstery fabrics also.

#### No Meat

Palentologists have just unearthed in Oregon a large batch of dinosaur bones, but there was no meat on them, alas!—Minneapolis Star.

### Flaming Cook-Out Dessert

It's cook-out time, and Dad is a sure bet to take over the cooking duties over the fireplace or the charcoal burner. Here's a recipe that will encourage him to relieve Mom of dessert duties, as well—flaming peaches, or as it is known in one of the most famous New Orleans restaurants, Peach Fuse.

The simple recipe requires a minimum of ingredients and effort, but makes a man-pleasing show. For each serving, the following are needed:

- 2 teaspoons of brown sugar
- 2 cinnamon
- 2 Maraschino cherries
- 2 canned peach halves,
- 3 tablespoons of Old Crow Bourbon
- 1/2 slice of bar butter

Arrange peach halves, center side up, in shallow cake tin or glass baking dish. Fill the centers with brown sugar, cover sugar with butter, and sprinkle liberally with cinnamon. Place dish in broiler for five minutes, four inches from flame. Place them in heatproof chafing dish, with cherry on each peach. Warm Old Crow in saucepan briefly over flame, then pour over the peaches and set it aflame as you serve it. The alcohol, of course, fumes off, and all the family will be thrilled as the dessert flames.

MICHAEL'S FAMOUS FOODS  
IN LEMON GROVE 7828 BROADWAY

**RAILROADS AND RIVERBOATS**... make up two of the many rides in the fabulous new playground. The model railroad in the foreground will carry some 300 passengers on a trip that circles the park to give "fares" a view of the entire area. The riverboat "Mark Twain" in the background is a scale-model of a Mississippi sternwheeler. It will take riders on a trip along "rivers of America."

(Note: This is the concluding article of a three-part series on the new Disneyland park in Anaheim.)

It will take at least a second wind, and probably a third, to take in the breathtaking sights in Main Street, Frontierland and Tomorrowland, and still be ready for the remaining realms of Adventureland and Fantasyland.

You'll make it, though, beginning with the moment you step from the dock in Adventureland into one of the Explorer boats for a cruise down tropical rivers of the world.

Lush vegetation crowds the banks of the Amazon, Nile and Yangtze as your boat swings along its watery course. And adventure is what you'll find when hippos and crocodiles, as well as cannibals and even a lion menace your boat. A waterfall is narrowly missed, and rapids must be crossed before you return to the starting point in the Tahitian village.

For those who can take their eyes off the "dangers" lurking at every river bend, the ride presents hundreds of examples of tropical growth. Trees, ranging in age from 30 to 50 years, were imported from Australia, New Zealand, South Africa, South America, China and Japan to preserve the tropic atmosphere.

Your ride through Adventureland completed, you can move on to the land that says "Walt Disney," more than any other realm of the park. That is Fantasyland.

Crossing the Plaza you enter Fantasyland over a drawbridge that spans the moat of Sleeping Beauty's castle. Inside is a scene of medieval splendor, where a King Arthur carrousel flies the banners of storied knights.

Having passed a dungeon with rack and wheel, torture chambers and other castle appointments on the way into the courtyard, visitors can move on to buildings housing a number of thrilling rides. Among them are the Peter Pan ride that take you high over London and Never Never Land, the Snow White ride where magic trees and creatures of the night are met, Mr. Toad's wild ride, a Casey Jr. train ride and a Dumbo, the flying elephant tour.

Leaving Fantasyland you can put a fitting end to a Disneyland trip with a ride on the 1/2-scale Santa Fe & Disneyland train that circles the park to give you a parting view of the fabulous world called Disneyland.

#### WOMEN NEEDED AS SUPERVISORS IN CORRECTIONAL UNITS

Civil service examinations for women supervisors in the state's correctional institutions and for engineers were announced today by the State Personnel Board.

Women with at least two years' experience in the supervision or guidance of youths, or the supervision of a group of employees, may qualify as group supervisors at \$325-\$395 a month. College training may be substituted for the required experience. Positions are at correctional schools for girls near Santa Rosa and Ventura and at the Youth Authority reception centers in Sacramento and Los Angeles counties.

Women with two years of resident institution experience may qualify as senior group supervisors at \$358-\$436, and with three years' experience for assistant head group supervisor, \$395-\$481.

Water pollution control engineers are needed at \$530-\$644 or \$644-\$782, depending on experience.

September 16 is final application date for associate materials and research engineer, \$530-\$644, and delineator, \$358-\$436.

Applications are available at Department of Employment offices on Columbia Street.

Henry Ford II, industrialist: "You have to try anything before you say it can't work."

## Throwin' The Bull

By BOB TURNBULL

It's a Joke, Son!... A teacher who isn't disturbed by talking in a class by herself.

**Pathetic Padres**... Although I'm not the type of baseball fan that turns thumbs-down on a team just because they lose a few battles, I am the type of hometown fan that gets disgusted when the local border nine loses twice as many games as they win; when our supposed power-tickers are in an eternal batting slump; when our future "big league" prospects forget that they're still playing for the Padres and are not in the majors yet, thereby committing several costly errors at the worst time possible; and when the time to play heads up ball, all they do is twiddle their thumbs and say "the spirit is gone." I'm afraid the only spirit the Padres can find is either from a bottle or from some unknown source from Planet X. At the time this article was written the Padres had just dropped a series to Oakland, 4-1, and have slipped from the limelight to third slot, and seemed destined to finish the season in the lower division. I still pray, sweat, scream, cheer, and boo the fellows, though, and it seems like my emotional adjustment has been abruptly stymied by their erratic ballplaying. I hate to finish this frustrating sermon on a sour note, but it looks to me like the Padres' theme song is similar, if not the same, as the latest novel song on the hit parade, entitled "Too Pooped to Pop."

**Altar Arrests**... Jo Ann Purl, Lemon Grove, is now Mrs. Carl Rapp. Shelly Dianne Simpson, Spring Valley, is engaged to Olen Priest. Delores Strohle will wed Bill Hire this Sunday in La Mesa, at the United Presbyterian Church. The bride-elect is a graduate of Helix and attended San Diego Junior College. Bill also graduated from within the wire fences of Highlandville, attended the same junior college where he was a member of Alpha Delta fraternity. Jeane Wadhams is now the bride of Jim Fears. Jeane graduated from Helix, while Jim completed four straight years at the "rival" school, Grossmont, and then made his way to S. D. Junior College. Betty Hernandez became the bride of Dean Allen Richardson recently. Betty is also a grad of Helix. Connie Grader was maid of honor, with Cassie

Wilson and Sherrill Hansen as bridesmaids. Mona McIntosh, Lemon Grove, is engaged to Bruce Peace. No wedding date has been set. Jackie Ellerman, grad of Helix, is engaged to Al Glick of Linda Vista. Ivonette Jackson, still another Helix grad, recently announced her engagement and approaching marriage to Don Malloy.

**Dis 'n Dat**... "Honor thy father and mother; and, whose curseth father or mother, let him die the death." (Mark 7:10). Miss Olga Mastorakos was recently honored at a bridal shower at the Manor Hotel. Hostesses for the affair, attended by 50 guests, were Tula Krooskos, Vianna Melham and Sandy Jordan. Jim Hein, Lemon Grove lad for 19 years, is in training with Army at Fort Knox, Kentucky. The Tri-Hi-Y Dardenelles Club of Grossmont will paint 20 trash cans at Helix High School. Esperanza Nunez, Lemon Grove, was recently sworn in as a WAC. She attended Helix. Now playing at the Grove Theatre: "The Barefoot Contessa" and "Violent Saturday."

**Your School Leaders!**... Mel Robinson, Helix's new Commissioner of Athletics, plans to spend this school year developing the Pep Committee to better school spirit. He has served Helix well on theVarsity football and basketball squads.

**Scholarship Winner** Sent to Copenhagen, Denmark. John Jensen, son of Mr. and Mrs. John E. Jensen, 2580 Juanita St., arrived in Copenhagen August 1. He was winner of a Fullbright Scholarship and sent to Copenhagen, where he will be with Dr. Wendt, head of the Nordic Council. John is 21 years old, a graduate of Grossmont High School and Pomona College. His scholarship will entitle him to a year's study of government with the Nordic Council, a very gratifying attainment.

John's trip across the Atlantic took him to Southampton, then to Rotterdam and final arrival at Copenhagen, Denmark. His mother is of Danish descent and she speaks the language to some extent, but John does not. He may pick up some Danish before he returns.—D. H.

#### JACKRABBIT GROUNDS PLANE

GRAND FORKS, N. D.—Leo Mondry, farmer-pilot, was buzzing along about three feet off the ground in his crop-dusting plane recently when a jackrabbit jumped into the air right in the path of the plane. The plane was forced to land with a damaged propeller and spraying mechanism.

In a few months one of these lovely ladies will be \$50,000 richer. You've guessed it. They're the six finalists in the 17th annual "Miss Rheingold" election. Seated (l to r) are Gretchen Foster, Millie Merritt and Myrna Fahy. Standing (l to r) are Maggie Pierce, Jeryl Johnson and Carol Tobey. The six finalists were chosen from some 1500 nominees.

#### Fund Raising Campaign to Start August 19 With Dinner

A fund-raising campaign will be initiated August 19 by Lemon Grove Congregational Church with a loyalty dinner at Balboa Park Club in San Diego.

The campaign commenced August 1, and Mr. Kenson, manager of the operation for the concern that raises funds for churches, has the organization of committees well started. Some 125 people will comprise the solicitation staff, with \$187,000 as the goal. Details of just what the fund will be used for are not yet available, depending on the amount pledged by donors. Pledges will be payable weekly over three years.

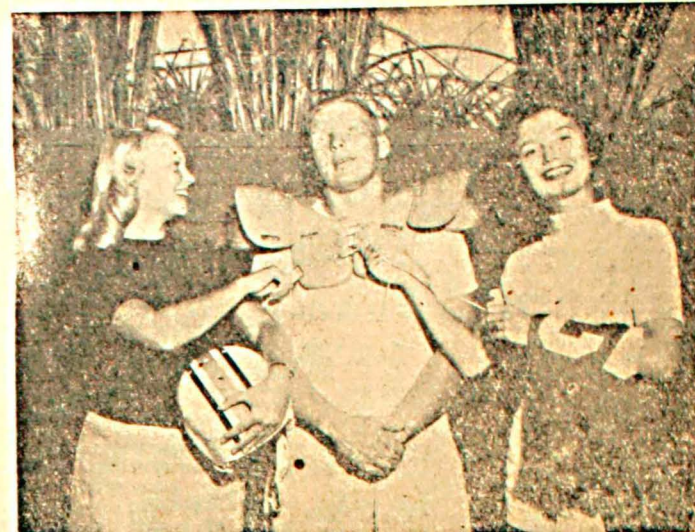

The canvass is expected to be completed in five and one half weeks.

Committee chairmen appointed are: General chairman, Tod Chaffee; initial gift chairman, John Dail; special gift chairman, Judge Luther Hussey; canvassing chairman, Dr. Thayer Crow; teams committee, Forrest Baxter; hostess committee, Mrs. Merle Garber; arrangements, Ralph Kraft; canvass treasurer, Mrs. William Vaughn.

Reverend Dan Apra, pastor of the Congregational Church, and his associate, Rev. Bruno Puschel, will serve where needed.—D. H.

#### Remember?

Remember they once talked about a chicken in every pot as being something good?—Milwaukee Journal.

**THIS IS FOOTBALL?**—Troy Barbee, center, All-CIF tackle from Hoover High, isn't quite sure as Duane Brandenburg, left, and Anna Alford lace his shoulder pads. Girls are contestants for queen of the seventh annual Southern California High School All-Star Charity Football game Aug. 31, sponsored by the Breitbard Athletic Foundation. Barbee will be a member of All-Southern Cal squad in scrap with All-Los Angeles City eleven.

Charles E. Wilson, secretary of defense, after water-skiing accident: "I guess I'll have to learn to act my age." (He's 68.)

Fresco Thompson, baseball official: "The idea that baseball is a game for strong backs and weak minds is ridiculous."

John Foster Dulles, secretary of state: "The society which is not religious cannot tolerate much freedom."

### Former Grove Girl Appears in TV Contest

Mrs. Helen Fetterman, better known in Lemon Grove as Helen Rister, appeared last Wednesday on a TV program in Los Angeles as a contestant in "It Pays to Be Married" program.

Prior to her marriage about a year ago, Mrs. Fetterman was with Carr's Hardware Store, in charge of the gift department. Her husband is connected with an electronics firm, and it was at his suggestion that Helen filled out an application blank when they attended a TV show. He said "You can throw the bologna, fill this out," so she did and got an interview and entered as a contestant. We'll tell you later if Helen won, and the prizes thereof. Sometimes they run pretty high.—D. H.

### CERTIFICATE OF ABANDONMENT OF FICTITIOUS NAME No. 19540

I hereby certify that I have heretofore transacted business in the City of San Diego, County of San Diego, State of California under a designation not showing the name of the person interested in such business, to-wit:

HUGHES MANUFACTURING COMPANY

and now declare my intention to, and do hereby, abandon the use of such fictitious name.

George E. Hughes  
Place of Residence 3233 Dumas  
San Diego 6, Calif.  
STATE OF CALIFORNIA, ) ss.  
County of San Diego, )

On the 22nd day of July, 1955 before me personally appeared George E. Hughes known to me to be the person whose name is subscribed to the foregoing instrument and acknowledged to me that he executed the same.

## Foothills Retired Officers Club To Meet

Lt. Gen. Willard S. Paul, USA, retired, and now, president of the Retired Officers Association at Washington, D. C., is arriving in San Diego to address a special meeting of both active and retired officers in the military services, to be held in the auditorium at the Naval Training Center on August 19 at 8 p.m.

General Paul is conducting a tour of the West Coast's affiliated clubs of the association, with other meetings scheduled at Seattle, San Francisco, San Jose, Los Angeles and Long Beach. The San Diego meeting is under the combined auspices of the Foothills Retired Officers Club and the Retired Officers Club of Northern San Diego County. Brig. Gen. J. A. Bemis, USMC (ret.) and Cmdr. John R. McCants, USN (ret.), presidents of these local affiliates, will preside jointly. All officers, whether members or not, active or retired, their wives and guests are cordially invited.

The topic of General Paul's talk will cover the activities, plans and purposes of the Retired Officers Association, with reference to legislative action, pending and planned, to improve the needs of active and retired military personnel, their dependents and survivors.

The auditorium at the Naval Training Center in San Diego, where the meeting is to be held, can be reached by entering Gate No. 3, on Rosecrans Street.

## YOU CAN BUY IT OR SELL IT QUICKLY WITH OUR WANT-ADS

You can sell it or buy it easier and quicker through classified advertising in this newspaper.

For one low cost your message runs in the Lemon Grove Review and the Spring Valley Bulletin, two separate newspapers, both published by this firm.

To Buy or sell, call Irene Estes at HO 6-4133 and receive courteous helpful service.

You can charge it too! Ads received on Tuesday run the same week.

## CARNATIONS FOR SPICY GARDEN COLOR

Cut Flower Growers have long demanded and received from the seed industry and other plant hybridizers, new and more striking colors in Carnations. After years of work today's seedling and cutting Carnations have a wide range of colors with many hues of each color from which to choose.

A Carnation plant grows to the approximate height of two feet and should be planted twelve

inches apart in your garden. This plant is a true perennial, but the color-show it creates matches that of the gay-colored annuals. It is used for borders, beds, edgings, rock gardens or pots.

Your local nursery has the seedling varieties available right now. In most cases the plants are available in mixed-colors, but because the increasing popularity of Carnations, are becoming available in straight colors.

Cutting Carnations in plant bands are also available for the fancier who desires more exact shades or flowers of more striking mutations. These plants are cuttings made from a known parent plant and you can be assured that it will be the same as the bloom displayed by the parent plant.

For an interesting combined plant form in your garden, try mixing in other members of the Dianthus family. The old fashioned, but much improved Dianthus with its showy single bloom and the Sweet William, with its unusual and different multiple single blooms, make interesting combinations.

Members of the Dianthus make excellent cut flowers. Look for original and unique ideas for arrangements in local florist window displays, magazines, and on the billboards. Watch for the flower arrangements on the table in the cigarette ads, or the corset the model is wearing. Thousands of dollars have been spent for this advertising and you can obtain these suggestions free of charge by observation.

To make your garden arrangement more attractive, use a low border of Lobelia, Ageratum, or Begonia in front of the Carnations or Dianthus. These low growing plants will cover the base of the taller growing ones and offer a scene more symmetrical and tasteful.

## FIRST BAPTIST CHURCH MEMBERS TAKE TRAINING COURSE

Sixty-two members of the local First Baptist Church met Monday evening to begin a week's training course in Baptist Training Union methods. This course is adapted to all age groups beginning with the nursery group and continuing to and through the adult department. The training school is being conducted by the pastor, Rev. Bob G. Rochelle as

leader. A big party will close the school on Friday evening of this week.

At a recent business meeting the church extended a call to Rev. Edwin Fielder, formerly a pastor of Hepland Baptist Church and a student at the Southern Baptist Seminary at Kerkley, California, to become educational director. Another feature of the church's progress is manifested in the calling of Elmer Brown, a resident of San Diego, as choir director for the local Baptist Church. Brown takes the place

made vacant recently by Mrs. Lois Bynum, who moved out of the city to return back to the Midwest. Both educational and choir directors will be present Sunday to take over their new duties.

## THE SHOW'S THE THING!

The Grove Theatre has a movie that rose from a sleeper to a fine, grade A flicker, in 20th Century-Fox's "Violent Saturday," a complicated but exciting melodrama

about a bank robbery in a small Arizona mining town. It stars Victor Mature, Richard Egan, Stephen McNally, Virginia Leith and J. Carroll Naish. It is in CinemaScope and was directed by Richard Fleischer, who did "20,000 Leagues Under the Sea."

The co-feature with "Saturday" is "The Barefoot Contessa." It is a drama dealing with a beautiful woman's rise from peasant beginnings to ultimate Hollywood fame, starring Ava Gardner, as the impetuous star; Humphrey Bogart, as the director who made

her famous; Edmund O'Brien, a press agent (who also got this year's Oscar for the best supporting actor); Warren Steyens, a millionaire producer; Marius Goring, a South American millionaire who loved her, and Rossano Brazzi, a young Italian count, for whom she gave up her career.

Both "Violent Saturday" and "The Barefoot Contessa" start this Wednesday, August 17.

The two main pics for the Saturday matinee are "Flatfoot" and "Time of Their Lives" plus four cartoons and a serial—B. T.

## CAR CRASHES PLANE

SALT LAKE CITY—A new type collision was recently reported to police. Steven Apodaca, 37, told police that he had taken a wrong road and ended up on the ramp of the airport. While trying to turn his car around, he crashed into a navy torpedo-bomber tied down at the airport. Damages to the plane were estimated at \$7,000.

The only secret a woman can keep is the one she doesn't know. —Arab proverb

# Gala Opening

Friday at 10 a.m.

## MODE O'DAY

You'll want to be first in line when Mode O'Day opens a new fashion store in Lemon Grove. Here you'll find wonderful California fashions at prices that are surprisingly sweet and low. Everything is designed and manufactured by Mode O'Day for its 525 retail stores in United States, Alaska and Hawaii. There's a marvelous array of fall dresses, blouses, lingerie and nylon hosiery in store for you. Come see!

### OPENING SPECIALS!

**COTTON SLIPS 2 for \$3.00**

Perfect back-to-school slips with bodice and full flounce of eyelet embroidery. Sizes 32-38.

**NO-IRON PLISSE SLIPS 2 for \$5.00**

Soft, cotton plisse, washes and dries in a flash. Bodice and flounce are trimmed with sheer nylon.

**STRETCH NYLON HQSIERY \$1.00**

Sheer value in wonderful stretch nylons that fit like a second skin. Full-fashioned; guaranteed perfect

**CONTINENTAL COTTON SHIRT**

**\$1.99**

Button the contour collar for a classic boy shirt... open the neckline and yours is a casual decolletage.

This versatile shirt is made of crease-resistant broadcloth, full-cut and pre-shrunk. 32-38.

versatile fashions at a tiny price **3.99**

Where else but at Mode O'Day would you expect to find so much fashion and quality at such a wisp of a price! Simple, flattering lines and pretty prints make these dresses the budget buy of the season. At the left is a wonderful, versatile slim-jim dress of menswear rayon. It looks like wool... but it behaves better, since it washes like a dream; 14-20. Right: super-fine percale with gracefully full skirt; 12-18.

Graded Choice

You'll find only the best of beef at  
Mayfair! . . . Not only is it the best  
grade, but our steaks and roasts are  
all properly aged for top flavor and  
tenderness . . . and they're trimmed  
of excess bone and fat before they  
are weighed, so that you get more  
meat for your money!

And every one is guaranteed!
